MUNICIPAL COURT SUGGESTED BY JUDGE CRAIG

Timely Paper Read Before Bernalillo County Bar Association Last Night; Bill to Be Drafted.

Establishment of a municipal court, of \$1,000 endowment, to be presided over by a judge who shall receive a stipulated salary, and provided with a court whose duties it shall be to keep the records, was suggested by Justice George R. Craig in a timely and most interesting paper read before the Bernalillo County Bar Association yesterday. The suggestion, if adopted, would, if desired, do away altogether with present judges of the county courts, do away with the unsatisfactory fee system, free contested cases to go to the municipality, thus insuring for its maintenance, and would have jurisdiction over all the matters now handled in justice of the peace courts of the municipalities and handled exclusively in the district courts, including civil suits involving amounts less than \$500 and certain land cases. The municipal court suggested met with favorable recommendation from the bar association and a committee was appointed to draft a bill which will be presented to the state legislature, asking for a law authorizing the establishment of such courts in New Mexico in the future.

MISS ROSE VINSWORTH, Leading lady in "A Bachelor's Honeymoon." At the Elks theater next Friday night, February 23d.

Hutchinson, Kan., Feb. 18.—"A Bachelor's Honeymoon," a farce comedy in three acts, pleased two large audiences at the Home theater last week, matinee and night. The show is full of humorous situations, impossible, it is true, but nevertheless they provoked the audience to constant laughter.

Leon Gibson, the bachelor; Rose Vinsworth, as June Joyce, his wife; and Dorothy Channing, his sister, were characters who were particularly pleasing. The costumes worn by the women of the company are exceedingly fine.

"A Bachelor's Honeymoon" has given seven performances in Hutchinson in the past two years and from the crowd that turned out to the show last week it looks as though it was good for the more years.

This attraction appears at the Elks theater Friday night, February 23.
